THE LANDINGS RESIDENTS DIRECTORY

NEW ENTRY FORM

The following information is used in preparing the annual Residents Directory issued the fall of each year. Please complete the information, make the indicated elections regarding listing options, and return the form to the LMA by mail at the above address, by fax to the above number or by leaving it at the Main Gate addressed to the attention of Dick Bayles.

Each property may have up to two directory entries, each with up to two telephone numbers and two associated e-mail addresses. You may indicate the type of non-residential phone number by "C:" for cellular or "W:" for work if you wish. Unless the entire entry is designated as "*Unlisted,*" all phone numbers will be listed. Note that information provided on the Main Gate Information Form is NOT automatically transferred to the Directory in order to preserve residents' privacy. Only information provided on this form will appear in the Directory. If no information is provided, only the resident's name and primary telephone number will appear. If we have no telephone number on our records, NO listing will appear.
